PHAR Index1.pdf

Hello, attached is the index as it was in early June 2014. I hope there is a more updated version, have heard back from the Records Center?

This index does not appear to show the standard template index of AR Headings. We will need to get that from the Records Center.

Hello, Matt. Attached is the working AR index. Our Portland Harbor website and information repositories also contain numerous documents submitted throughout the RI/FS process.
